Category 3 25 Pair U/UTP Cable LS0H - Grey

100-043

excel without compromise.

Features

- Category 3 compliant
- LS0H outer sheath
- Metre marked to reduce waste
- Euroclass Eca

Product Overview

Excel Category 3 UTP Cables are manufactured, tested and verified to the EIA/TIA 568B and ISO11801 standards for Category 3 performance and are fully compliant with the IEC60332-1 specification.

Features	
1: Category	3
2: Total number of cores	50
3: Stranding element	Pairs
4: Outer sheath material	LSOH (Copolymer, thermoplastic)
5: Low smoke (acc. EN 61034-2)	no
6: Halogen free (acc. EN 60754-1/2)	yes
7: Reaction-to-fire class according to EN 13501-6	Eca
8: Overall screening	None
9: Conductor screening	None
10: Outer sheath colour	Grey
11: Conductor category	Class 1 = solid
12: Conductor material	Solid Annealed Copper Wire
13: Core insulation	HDPE
14: Core identification	Rings
15: Flame retardant	In accordance with EN 60332-1-2 and EN 50399

Features

16:	Outer diameter approx.	11.50 +/- 1.00mm
