

LED FLOODLIGHTS RANGE

SUPERIOR QUALITY, FROM A TRUSTED BRAND

Utilising the latest LED technology, these great looking IP65 rated LED floodlights offer massive savings in both energy and lamp replacement costs. Manufactured from high quality die cast aluminium and incorporating a stirrup mounting bracket for light direction they are perfect for applications both inside and out.

Applications include:

- Decking areas
- Pathways
- Atriums
- Church lighting
- Patios
- Sign illumination
- Car Parks
- Drives
- Wall washing
- Hoardings
