

## DIN RAIL, G RAIL & INSULATORS

### DIN RAIL & G RAIL

| Description                | Dimensions (mm) | Length | Carton Qty | Part No.     |
|----------------------------|-----------------|--------|------------|--------------|
| <b>DIN RAIL</b>            |                 |        |            |              |
| Steel Standard-Slotted     | 7.5 x 35.0      | 2m     | 50         | TS35/S-S     |
| Steel Heavy Duty-Slotted   | 15.0 x 35.0     | 2m     | 30         | TS35/HD-S    |
| Steel Standard-Unslotted   | 7.5 x 35.0      | 2m     | 50         | TS35/S       |
| Steel Heavy Duty-Unslotted | 15.0 x 35.0     | 2m     | 30         | TS35C/HD     |
| Alum. Standard-Slotted     | 7.5 x 35.0      | 2m     | 50         | TS35/S-S-ALU |
| Alum. Standard-Unslotted   | 7.5 x 35.0      | 2m     | 50         | TS35/S-ALU   |
| <b>G RAIL</b>              |                 |        |            |              |
| Steel - Slotted            | 32              | 2m     | 30         | TS32GRAIL-S  |
| Steel - Unslotted          | 32              | 2m     | 30         | TS32GRAIL    |

### ACCESSORIES

| Description                              | Carton Qty | Part No.     |
|--|------------|--------------|
| Angle support 45 degrees (M6) 6mm thread | 25         | TS-S         |
| Top Hat Brackets (M6)                    | 25         | CA703        |
| G Rail Mounting Bracket (Nylon)          | 50         | P-KLIP M5-M3 |
| G Rail Mounting Bracket (Nylon)          | 50         | P-KLIP M6-M4 |

### STAND-OFF INSULATORS

| Height mm | Diameter mm | Threaded Insert | Test Voltage | Carton Qty | Part No. |
|-----------|-------------|-----------------|--------------|------------|----------|
| 25        | 30.0        | M6              | 0.66kV       | 300        | SD125    |
| 35        | 32.0        | M8              | 1kV          | 100        | SD135    |
| 54        | 44.5        | M8              | 0.66kV       | 30         | 14NB1    |
| 51        | 63.5        | M10             | 0.66kV       | 24         | 14NB5    |
| 76        | 50.0        | M10             | 1.5kV        | 50         | SD176    |
