

Connectors and Tools

Matchmaster has a large range of 75 Ohm RF & Video connectors to suit every application. Matchmaster's range includes RG59, RG6, and RG11 Hex Crimp and Compression type connectors and can also supply .500", .625" and .750" Hardline connectors. Connectors available for F-Type, Pal IEC, BNC, RCA and many more.

CABELCON
connectors

Connectors and Tools

Adaptor 'F' Male To IEC (PAL) Male 08MM-A1

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » All metal body, durable composition
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Female To IEC (PAL) Male 08MM-A2

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Male To IEC (PAL) Female 08MM-A3

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Female To IEC (PAL) Female 08MM-A4

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Female To RCA Male 08MM-A6

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Male To 'F' Male 08MM-A7

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Connectors and Tools

Adaptor RCA Female To 'F' Female 08MM-A8

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor RCA Female To 'F' Male 08MM-A9

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Male To 'F' Female Elbow 08MM-A10

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » 90 degree elbow suitable for sharp bends
- » No tools required
- » All metal body, durable composition
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Male To 'F' Female Elbow 3GHz 08MM-A10-3G

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » Suitable for Satellite frequencies to 3GHz
- » Pay TV approved
- » 90 degree elbow suitable for sharp bends
- » No tools required
- » All metal body, durable composition

Adaptor 'F' Female To 'F' Male Push On 08MM-A11

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor T Piece 3 Way 'F' Type Male 08MM-A12

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Connectors and Tools

Adaptor 'F' Female To IEC Male Right Angle 08MM-A14

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type connectors
- » 90 degree elbow suitable for sharp bends
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish
- » Also available in 5 pack (08MM-A14-5P)

Joiner 180° 'F' Type 08MM-A15

Features and Benefits

- » 180 degree joiner suitable for sharp bends
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor IEC (PAL) Female To BNC Male 08MM-B1

Features and Benefits

- » Ideal to convert Matchmaster's range of BNC connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Female To BNC Male 08MM-B2

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type and BNC connectors
- » BNC male with twist lock for durability and secure connection
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Male To BNC Male 08MM-B3

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type and BNC connectors
- » BNC male with twist lock for durability and secure connection
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor RCA Female To BNC Male 08MM-B4

Features and Benefits

- » Used to convert BNC to any RCA composite video (yellow) or stereo audio (white and red)
- » BNC male with twist lock for durability and secure connection
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Connectors and Tools

Adaptor 'F' Male To BNC Female 08MM-B5

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type and BNC connectors
- » BNC female with lock pins for securing to BNC male connectors and adaptors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Female To BNC Female 08MM-B6

Features and Benefits

- » Ideal to convert Matchmaster's range of 'F' type and BNC connectors
- » BNC female with lock pins for securing to BNC male connectors and adaptors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor RCA Male To BNC Female 08MM-B7

Features and Benefits

- » Ideal to convert Matchmaster's range of BNC connectors
- » BNC female with lock pins for securing to BNC male connectors and adaptors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor BNC Female To IEC Male 08MM-B8

Features and Benefits

- » Ideal to convert Matchmaster's range of BNC connectors
- » BNC female with lock pins for securing to BNC male connectors and adaptors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Connector RG6 BNC Crimp 08MM-B9

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Used with Matchmaster crimping tool (08MM-CT611)
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor BNC Female To BNC Female 08MM-B10

Features and Benefits

- » Ideal to convert Matchmaster's range of BNC connectors
- » BNC female with lock pins for securing to BNC male connectors and adaptors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Connectors and Tools

Connector BNC Male RG59 Compression 08MM-B11

Features and Benefits

- » Suitable for RG59 coaxial cable
- » BNC male with twist lock for durability and secure connection
- » Used with Matchmaster compression tool (08MM-CT05)
- » Long life corrosion proof body
- » High quality tin nickel plated finish
- » Heavy duty coaxial cable compression feature

Connector BNC Male RG6 Quad Compression 08MM-B12

Features and Benefits

- » Suitable for RG6 coaxial cable
- » BNC male with twist lock for durability and secure connection
- » Used with Matchmaster compression tool (08MM-CT05)
- » Long life corrosion proof body
- » High quality tin nickel plated finish
- » Heavy duty coaxial cable compression feature

Cable Cutting Tool 08MM-CC206

Features and Benefits

- » Suitable for RG59 and RG6 coaxial cable
- » Non slip PVC handle
- » Curved blade to slice through coaxial cable easily and to prevent cable damage
- » Suits up to 12mm max outside diameter cutting
- » Lockable handle for blade protection when not in use

Professional Coaxial Cable Compression Tool Kit 08MM-COMPKIT

Features and Benefits

- » Kit comes in a red protective hard case with handle and interior heavy duty foam padding
- » 1x compression tool for RG59 and SDI coaxial cable with BNC, F, IEC and RCA interchangeable dies
- » 1x 'F' connector removal and insertion tool
- » 1x non slip, lockable cable cutting tool
- » 1x coaxial cable stripper for RG59 and RG6 with adjustable blades

Professional Coaxial Cable Compression Tool Kit With Belt 08MM-COMPKIT2

Features and Benefits

- » Contains a heavy duty tool pouch with adjustable strap (110cm max) that attaches to your belt
- » Heavy duty pouch comes with spare compartment
- » Can be used with RG6 / RG11 and pay TV approved compression connectors
- » 1x compression tool for Foxtel RG6 and RG11 connectors
- » 1x non slip, lockable cable cutter
- » 1x coaxial cable stripper with fixed spanner

'F' Connector Removal And Insertion Tool 08MM-CR2206

Features and Benefits

- » Twist on 'F' type inserter for easy grip when removing 'F' type connectors for coaxial cable
- » 156mm length 'F' connector tightener
- » Tightener also provides a 8mm slit to tighten pre-installed 'F' connectors using RG59 and RG6 coaxial cable
- » High quality nickel plated finish and non slip PVC handle
- » The ideal tool for speed and ease when working with 'F' type connectors

Connectors and Tools

Professional Coax Cable Installers Crimping Kit 08MM-CRIMPKIT

Features and Benefits

- » Kit comes in a blue protective hard case with handle and interior heavy duty foam padding
- » 1x ratchet style crimping tool for RG59, RG6 and RG11
- » 1x 'F' connector removal and insertion tool
- » 1x non slip, lockable cable cutting tool
- » 1x coaxial cable stripper for RG59 and RG6 with adjustable blades

Compression Tool 'F' Connectors 08MM-CT01

Features and Benefits

- » Professional tool suitable for RG6/11 'F' connectors
- » Termination is accomplished in a single action
- » A professional cost effective solution for 'F' connector type compression

Compression Tool For SDI Cable 08MM-CT02HD

Features and Benefits

- » Suitable for RG59 SDI coaxial cable
- » Interchangeable dies for BNC, F, IEC and RCA type connections
- » Comes with a separate metal frame to hold 4 die adaptors
- » High quality Chrome plated finish
- » Latched handle for tool protection when not in use
- » Non slip PVC handle

Compression Tool For Foxtel RG6 Connectors (26MM-TRSF-6L) 08MM-CT04

Features and Benefits

- » Foxtel Approved (F30661)
- » Non slip PVC handle
- » Ideal for speed and ease
- » Holds cable in place when compressing for a more accurate connection

Compression Tool For Foxtel RG6 And RG11 Connectors 08MM-CT05

Features and Benefits

- » Non slip PVC handle
- » Ideal for speed and ease
- » Holds cable in place when compressing for a more accurate connection

Professional Ratchet Style Crimping Tool For RG59, RG6 And RG11 Connectors 08MM-CT611

Features and Benefits

- » Suitable for RG59, RG6 and RG11 coaxial cable
- » Provides a leverage system to present less strain on hands
- » Non slip PVC handle
- » Adjustable crimp force
- » The ideal tool for speed and ease when working with crimp connectors

Connectors and Tools

Connector Push On 'F' Compression 08MM-CX3FSC

Features and Benefits

- » Suitable for RG6 coaxial cable
- » High quality tin nickel plated finish
- » Used with Matchmaster compression tool (08MM-CT05)
- » Long life corrosion proof body

Connector Compression RG6 Dual/Quad 08MM-EX6XLG

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Used with Matchmaster compression tool (08MM-CT01)
- » High quality nickel plated finish
- » Heavy duty coaxial cable compression feature

Connector RG59 Crimp On 'F' Type 08MM-F59M

Features and Benefits

- » Suitable for RG59 coaxial cable
- » Used with Matchmaster crimp tool (08MM-CT611)
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish

Connector RG59 Twist On 'F' Type 08MM-F59T

Features and Benefits

- » Suitable for RG6 coaxial cable
- » No tools required
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish

Connector RG6 Crimp On 'F' Type 08MM-F6M

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Used with Matchmaster crimp tool (08MM-CT611)
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish

Connector RG6 Twist On 'F' Type 08MM-F6T

Features and Benefits

- » Suitable for RG6 coaxial cable
- » No tools required
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish

Connectors and Tools

Nut 'F' Type With Washer 08MM-FN

Features and Benefits

- » Suitable for (18MM-F813G) adaptor
- » Used for a 3/8" UNEF thread

RG59 Serial Digital Interface Connector 'F' Type Male 08MM-HD59F

Features and Benefits

- » Impedance 75 Ohm
- » Multiple sleeve colours
- » Frequency response: 3GHz
- » Use in conjunction with (08MM-CT02HD)
- » Return loss: -23dB @ 3GHz
- » High Definition TV compatible

Connector 'F' Type PAL Female Compression For RG59 SDI Cable 08MM-HD59PF

Features and Benefits

- » Suitable for RG59 SDI coaxial cable
- » Used with Matchmaster compression tool (08MM-CT02HD)
- » Purple visible colour band to help distinguish connector type
- » Long life corrosion proof body
- » All metal body, durable composition
- » Heavy duty coaxial cable compression feature

Connector PAL Male Compression For RG59 SDI Cable 08MM-HD59PM

Features and Benefits

- » Suitable for RG59 SDI coaxial cable
- » Used with Matchmaster compression tool (08MM-CT02HD)
- » Purple visible colour band to help distinguish connector type
- » Long life corrosion proof body
- » All metal body, durable composition
- » Heavy duty coaxial cable compression feature

RG59 Serial Digital Interface Connector RCA 08MM-HD59R

Features and Benefits

- » Impedance 75 Ohm
- » Multiple sleeve colours
- » Frequency response: 3GHz
- » Use in conjunction with (08MM-CT02HD)
- » Return loss: -23dB @ 3GHz
- » High Definition TV compatible

Connector PAL Female Compression For RG6 Quad Cable 08MM-HD6PF

Features and Benefits

- » Suitable for RG6 quad coaxial cable
- » Used with Matchmaster compression tool (08MM-CT02HD)
- » Blue visible colour band to help distinguish connector type
- » Long life corrosion proof body
- » All metal body
- » Heavy duty coaxial cable compression feature

Connectors and Tools

Connector PAL Male Compression For RG6 Quad Cable

08MM-HD6PM

Features and Benefits

- » Suitable for RG6 quad coaxial cable
- » Used with Matchmaster compression tool (08MM-CT02HD)
- » Blue visible colour band to help distinguish connector type
- » Long life corrosion proof body
- » All metal body
- » Heavy duty coaxial cable compression feature

Connector RG6 IEC (PAL) Male Crimp

08MM-P2

Connector RG6 IEC (PAL) Female Crimp

08MM-P4

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Ideal connector for making TV fly leads
- » Used with Matchmaster crimp tool (08MM-CT611)
- » All metal body, durable composition
- » High quality nickel plated finish

Professional Phone Point Tool Kit

08MM-PHONEKIT

Features and Benefits

- » Kit comes in a black protective hard case with handle and interior heavy duty foam padding
- » 1x ratchet style crimping tool to suit RJ45 and RJ12 modular plugs
- » 1x punch down tool complete with 66 & 88/110 type blades
- » 30x RJ12 modular plugs
- » 30x RJ45 modular plugs
- » 1x cable stripping tool to suit UTP/STP outer jacket stripping

Connector RG6 Universal Compression Quick Mount

08MM-QM06

Features and Benefits

- » No need to pull back braid or remove the foil sheath like traditional connector
- » Just strip cable, place on connector and compress
- » Used with Matchmaster compression tool (08MM-CT01)
- » Heavy duty coaxial cable compression feature
- » Rubber 'O' ring seal to prevent moisture ingress
- » Frequency range 0.3 - 3000 MHz

Connector RG11 Compression Universal Quick Mount

08MM-QM11

Features and Benefits

- » No need to pull back braid or remove the foil sheath like traditional connector
- » Just strip cable, place on connector and compress
- » Used with Matchmaster compression tool (08MM-CT01)
- » Heavy duty coaxial cable compression feature
- » Rubber 'O' ring seal to prevent moisture ingress
- » Frequency range 0.3 - 3000 MHz

Connector RG6 IEC Male Self Install

08MM-SI-IEC6Q

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Ideal connector for making TV fly leads without a crimp or compression tool
- » Screw feature to tighten onto coaxial cable
- » Used with Matchmaster stripping tool (08MM-ST10)
- » High quality tin nickel plated finish
- » Plastic twist off back for easy DIY installation

Connectors and Tools

Connector Self Install RG6 Quad 08MM-SI6Q

Features and Benefits

- » Suitable for RG6 quad coaxial cable
- » Push on connector, no crimp or compression tool required
- » Used with Matchmaster stripping tool (08MM-ST10)
- » All metal body, durable composition
- » Frequency range 0.3 - 3000 MHz
- » High quality tin nickel plated finish

Stripping Tool For RG59, RG6, RG11 and CAT 5 08MM-ST05

Features and Benefits

- » Suitable for RG59, RG6, RG11 coaxial cable and data/telephone cable
- » Ideal for stripping outer jackets of UTP, STP & CAT5 round telephone cable
- » In built, adjustable cable cutter incorporated
- » Provides a click in, rotating cartridge to swap between RG59/RG6 and RG11 stripping
- » Compact, light weight design

Stripping Tool For RG59, RG6 And RG11 Including Spanner 08MM-ST10

Features and Benefits

- » Suitable for RG59, RG6 and RG11 coaxial cable
- » Easy spring trigger to lock coaxial cable into place for stripping
- » Spanner can be used for tightening and loosening 'F' type connections
- » Adjustable blade to switch from RG59/RG9 to RG11 coaxial cable stripping
- » Allowing you to strip cable with 5 easy rotations

Terminator 'F' Type 75 Ohm 08MM-T1

Features and Benefits

- » To terminate unused ports on taps and splitters
- » High quality nickel plated finish
- » No tools required
- » Long life corrosion proof body

Connector Compression RG11 Quadshield 18MM-CX311Q

Features and Benefits

- » Features a moveable pin
- » There is no need for additional sealing
- » The intelligent construction and the O-ring in the front part secure a watertight connection
- » Comes with a free spinning nut - hex 14 mm (9/16 compatible) for an easy and reliable installation
- » Frequency range 0.3 - 3000 MHz
- » Used with Matchmaster compression tool (08MM-CT01)

Connector Compression RG11 PAL Female 18MM-CX3PF

Connector Compression RG11 PAL Male 18MM-CX3PM

Features and Benefits

- » Developed for digital multimedia applications
- » Type and stripping dimensions are stamped for safe identification and measuring on location
- » Frequency range 0.3 - 3000 MHz

Connectors and Tools

DC Isolator 'F' Type 18MM-DB1

Features and Benefits

- » Foxtel approved (F10456)
- » Signals 5-3000Mhz
- » Insert loss .2-.5dB
- » Stops Voltage DC/AC 500v-700V
- » Return Loss 20dB

Terminator -75Ohm DC Blocking 18MM-DV25

Features and Benefits

- » Foxtel approved (F30083)
- » Nickel plated brass
- » Used to correctly balance splitter output

Adaptor 'F' Female To 'F' Female 3GHz 18MM-F813G

Features and Benefits

- » Used to join two coaxial cables with 'F' type fittings or create an 'F' type outlet
- » 2x nuts and washers
- » Blue 3G rated inner
- » No tools required
- » Long life corrosion proof body
- » 0.3-3000MHz
- » >20dB return loss

Adaptor F-Fixed Push On 18MM-DV49A

Features and Benefits

- » Foxtel approved (F30082)
- » Nickel plated brass
- » Easy quick connection of multiswitch and tap systems

.5" Commscope Jacket Stripper 18MM-JST500

Features and Benefits

- » Fast and efficient removal of jackets from trunk and hardline distribution coaxial cables
- » Preset JST blades minimise scoring or nicking of the aluminium

Adaptor 'F' Female to KS Port 18MM-KSFA

Features and Benefits

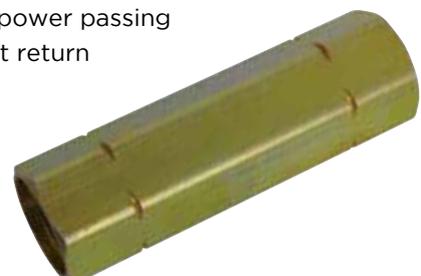

- » The nickel plated, all brass adapter converts KS interface to "F" series female
- » It provides greater than -30 dB structural return loss to 1 GHz

Adaptor KS Splice Coupler 18MM-KSKSC

Features and Benefits

- » Allows high power passing and excellent return loss to 1GHz

Connectors and Tools

KS Splice Coupler - Nitin 6 Plating 18MM-KSKSC-N6

Features and Benefits

- » Designed to splice hardline cable connection for joining cable networks using like or different sized wire

Adaptor KS To KS Rotational 18MM-KSKSR

Features and Benefits

- » Uses 6262 aluminium alloy for corrosion resistance
- » Brass contact pins with bright acid tin plating providing excellent RF conductivity
- » Moisture-proof through durable design and implementation of UV ozone-resistant EPDM o-rings
- » 1" hexagon size used on all body

Adaptor KS To N Type female 18MM-KSNF

Features and Benefits

- » Developed to be used in professional amplifiers and splitters for optimal performance
- » Housing adaptors make it very easy to connect and disconnect the cable/connector assembly from active and passive trunk components without removing the connector from the cable
- » Adaptors are developed for digital multimedia applications and exceed all requirements in standard EN 50083, class A
- » NITIN-6 Plating

Connector .500" PIII To 'F' Male 18MM-PI500AFM3

Features and Benefits

- » 2-piece "F" Male (FM) to .500" adaptor designed to handle the challenges of today's digital cable networks
- » Connectors are designed for all major CATV cable manufacturers

Connector .500" PIII Pin Type 18MM-PI500CH3

Features and Benefits

- » 2-piece pin connectors designed to handle the challenges of today's digital cable networks
- » Connectors are designed for all major CATV cable manufacturers.

Connector .500" PIII Splice 18MM-PI500SP3

Features and Benefits

- » splice connectors designed to handle the challenges of today's digital cable networks
- » Heavy-duty 6262 alloy aluminium construction for superior corrosion resistance
- » Bandwidth: 0 MHz to 1 GHz
- » Return Loss: Minimum -30 dB to 1 GHz

Connectors and Tools

Tool Strip/Coring .500" P3 18MM-SCT500

Features and Benefits

- » Combination Coring and Stripping Tool cores and strips 0.500" hardline cable coaxial cable in one fast and precise operation
- » Manual or drill operation
- » CST tools have a standard T-handle with a built-in 3/8 inch (9.5mm) drill adapter
- » Heat treated sheath cutting blade

Terminator KS Port 18MM-T2

Features and Benefits

- » 1.0 KV Universal male terminator for 5/8-24 entry
- » Blocks 60 cycle AC and terminates RF signals
- » Waterproof port

Terminator KS Female 75Ohm 18MM-T3

Features and Benefits

- » Used to terminate hardline cable
- » 1.0 KV Universal female terminator for 5/8-24 entry
- » Blocks 60 cycle AC and terminates RF signals

Port Terminator 75Ohm 18MM-T3-N

Features and Benefits

- » Used to terminate hardline cable
- » Shielding effectiveness >110dB @ 1 GHz
- » Impedance 75 Ohm
- » Power rating 1/2W
- » Nitin-6 plated

Connector RG11 Foxtel Approved 26MM-DRS-11L

Features and Benefits

- » Foxtel approved (F30709)
- » DRS compression fit connectors are technically advanced, an installation friendly solution to enhance the performance of digital and two way broadband networks
- » The weather seal nut eliminates the need for seal rings
- » Connectors are compatible with standard industry compression tools

Connector RG11 Compression 26MM-EX11

Features and Benefits

- » Telstra approved
- » Internal screw post design for easy screw on installation
- » 1 piece construction, moisture tight design
- » Constructed with a 7/16" hex nut for easy installation and compatibility with standard tools

Connectors and Tools

Connector RG6 Foxtel Approved 26MM-TRSF-6L

Features and Benefits

- » Foxtel approved (F30574)
- » One piece, all metal design
- » Unique design requires little force to install
- » Dual compression rings provide 100 % sealing protection on all approved cable types
- » Water sealed nut seals without separate parts

Adaptor 'F' Female To IEC Male Right Angle (2 Pack) DA-A14H2

Features and Benefits

- » Ideal to convert Matchmaster full range of 'F' type connectors
- » 90 degree elbow suitable for sharp bends
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

Adaptor 'F' Female To IEC (PAL) Male (2 Pack) DA-A22

Features and Benefits

- » Ideal to convert Matchmaster full range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish
- » Also available in 10 pack (DA-A2H)

Adaptor 'F' Male To IEC (PAL) Female (2 Pack) DA-A32

Features and Benefits

- » Ideal to convert Matchmaster full range of 'F' type connectors
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish
- » Also available in 10 pack (DA-A3H)

Adaptor 'F' Female To Female Plus Nut Hang Sell (20 Pack) DA-A5FNH

Features and Benefits

- » Ideal to extend join of two cables with 'F' type fittings
- » Includes nuts and washers
- » No tools required
- » Long life corrosion proof body
- » High quality nickel plated finish

5 Piece TV Connections And Adaptor DA-AP06

Features and Benefits

- » 1x terminator 'F' type 75 Ohm
- » 1x adaptor 'F' female to IEC (PAL) male
- » 1x adaptor 'F' male to IEC (PAL) female
- » 1x adaptor 'F' female to IEC (PAL) female
- » 1x adaptor 'F' female to female plus nut and washer
- » Mix and match combination for multiple solutions

Connectors and Tools

Connector RG59 Twist On 'F' Type (2 Pack)

DA-F59TH2

Features and Benefits

- » Suitable for RG6 coaxial cable
- » No tools required
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish

Connector RG6 Crimp On 'F' Type (20 Pack)

DA-F6MH

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Used with Matchmaster crimp tool (O8MM-CT611)
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish

Connector RG6 Twist On 'F' Type (2 Pack)

DA-F6TH2

Features and Benefits

- » Suitable for RG6 coaxial cable
- » No tools required
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish
- » Also available in 20 pack (DA-F6TH)

Adaptor 'F' Female To 'F' Female 3GHz (2 Pack)

DA-F813G2

Features and Benefits

- » Convenient twin pack
- » 2x nuts and washers
- » Blue 3G rated inner
- » No tools required
- » Long life corrosion proof body
- » Foxtel Approved

Connector RG6 IEC (PAL) Male Crimp (10 Pack)

DA-P2H

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Ideal connector for making TV fly leads
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish
- » Used with Matchmaster crimp tool (O8MM-CT611)

Connector RG6 IEC (PAL) Female Crimp (10 Pack)

DA-P4H

Features and Benefits

- » Suitable for RG6 coaxial cable
- » Ideal connector for making TV fly leads
- » Long life corrosion proof body
- » All metal body, durable composition
- » High quality nickel plated finish
- » Used with Matchmaster crimp tool (O8MM-CT611)
