PHOTOELECTRIC  
TECHNOLOGY

# SERIES 2 SMOKE ALARM

## **LIFESAVER**

The new PSA LIFESAVER Series 2 range of smoke alarms is fully redesigned and engineered to meet today's and tomorrow's demands. The Series 2 smoke alarms comply to the latest product standard AS3786:2014/Amdt 1:2015. Keeping the popular Lifesaver smoke alarm installation design, the Series 2 has the same quick-slide and easy mounting base plate. Integrated with advanced features, the PSA LIFESAVER Series 2 smoke alarms will be complemented with additional new products available soon.

### PRODUCT FEATURES

- Mains powered 240VAC
- Fixed rechargeable lithium battery back-up (LIF5800RL/2)
- 9VDC battery back-up (LIF5800/2)
- Photoelectric technology
